 **TOYOTA COROLLA**

oh what a feeling!

DRIVEN BY STYLE

Just one look at the 2010 Corolla 'Ascent Sport' Special Edition will bring you to your knees. And what better place than this to appreciate the 16" 'Blade' alloy wheels, front fog lights and larger front and rear spoilers, all of which seamlessly complement a stylish form.

Now pop the hood and check out the 100kW Dual VVT-i 1.8L engine, which, when coupled with a six-speed manual or four-speed automatic transmission, proves the 'Ascent Sport' is more than just a piece of eye candy.

Inside, little touches of luxury are at your fingertips, with a premium steering wheel with built in audio controls, cruise control, premium gear knob and a redesigned audio unit with joystick control, featuring Bluetooth™ compatibility, USB and audio input, just a few of the many indulgences that line a spacious cabin.

The new Corolla 'Ascent Sport' Special Edition. Style has just moved up a gear.

Toyota Service Advantage – capped price servicing

Toyota Service Advantage makes owning a Corolla even more economical. New Corolla 'Ascent Sport' Special Edition models are entitled to low cost scheduled servicing* capped for up to 6 standard services during the first three years or 60,000km, whichever occurs first. Plus, you get the security of knowing you have Toyota trained technicians using Toyota Genuine Parts and advanced diagnostics to provide a Genuinely Better service.

*Toyota Service Advantage pricing represents the maximum amount payable for standard scheduled servicing which is as per 'maintenance for normal operating conditions' outlined in the Warranty & Service Handbook's service schedule. Service Advantage eligibility excludes Government and Rental vehicles and certain other exclusions apply. Contact your Toyota Dealer or visit advantage.toyota.com.au for further details. Toyota Genuine Accessories. For details on the range of Toyota Genuine Accessories, see your Toyota dealer or visit accessories.toyota.com.au ^The Bluetooth word mark is owned by Bluetooth SIG, Inc. Bluetooth™ will only operate with telephones enabled with compatible Bluetooth™ wireless technology (HFP (Hands Free Profile) v1.0 or later and OPP (Object Push Profile) v1.1 or later international standards). OPP functionality only works on Satellite Navigation equipment.
