

## What is the Toyota Good for Footy raffle?

---

The Toyota Good for Footy raffle is conducted each year to support grassroots football clubs to raise the funds to stay in the game. Last year, the Toyota Good for Footy Raffle helped 365 clubs raise \$620,000, and this year we're aiming to raise as much money as possible for clubs across Australia. Now that's good for footy!

## When will the National Raffle take place?

---

The Raffle starts at 12pm AEST on 15 May 2019.

The Raffle **closes** at 12pm AEST on **18 September 2019**. No entries will be accepted after this time.

The raffle will be **drawn** at 12pm AEST on **25 September 2019**.

Please note, residents from WA can participate in the WA raffle only. Details on the WA raffle can be found at [toyota.com.au/aflraffle](http://toyota.com.au/aflraffle)

## What are this year's prizes?

---

This year there are three brand-new Toyota vehicles up for grabs including a Toyota Kluger, Camry Hybrid and a Corolla Hybrid, plus loads of other great prizes to be won.

## What's different about this year's Toyota Good for Footy raffle?

---

This year we've gone digital, which means no more paper tickets and all sales happen online. That's right! There is no more chasing lost tickets or missing cash from players or parents.

All transactions take place within a personalised club portal and buyers receive tickets directly via email, meaning less admin for you, while your club still gets to keep 100% of the proceeds of every ticket sold.

## Can we still sell tickets in person?

---

Although there are no paper tickets, you can still do **in-person** transactions!

You can invite club members to become **Sellers**. Each Seller will have their own login. They can then walk around the ground, the clubhouse, or community selling tickets via their mobile phone or tablet.

The **buyer** can pay by **cash** or **card**. All sales will be recorded against the Seller, so it offers perfect accountability. The buyer receives both an **SMS** and **email** confirmation. This is basically the same as selling paper tickets, but much easier. In fact, our experience shows your Sellers will sell a lot more tickets this way because it is so easy for both buyer and seller.

## What payment methods are accepted?

---

For **online transactions**, buyers can pay by Visa or Mastercard **credit** or **debit** cards, and American Express.

RaffleTix utilises the Stripe payment processing platform, now considered one of the most popular and secure of all the payment processing services available. Any credit or debit card details are encrypted, and the details are NOT stored. For more information about Stripe's security, see: [stripe.com/docs/security/stripe](https://stripe.com/docs/security/stripe)

For **in-person transactions**, buyers can pay by **cash** or credit or debit card (as for online transactions).

## Does my club need to register to participate?

---

Yes. Every club that registers will need to create a new account, regardless of whether you've been involved previously. Once registered, you'll receive further information about how the raffle will work, along with tips and tricks to help you raise as much money as possible.

## When will our club receive their funds back?

---

All funds will be returned in full to clubs within four weeks of the date of the draw and clubs will be notified via email. We will be in touch closer to the draw date to notify you of the process. If your club has not received its funds after receiving this notification, please contact RaffleTix to resolve the issue.

## How do I deposit my cash sales?

---

You must deposit your cash sales to the Good for Footy bank account.

All cash sales must be deposited to the Good for Footy bank account prior 23 September to the draw date. RaffleTix will provide instructions on the bank account details closer to the final draw date.

## What if I need help to get started?

---

All the help you need to guide you through your registration and to start selling tickets is available online. But if you need help or want to speak to someone, send an email to [support@raffletix.com.au](mailto:support@raffletix.com.au) and someone will get in touch within 24 hours to assist you.
