

Full-Service Lease

Terms and Conditions

Your contract with Toyota Finance Australia Limited (*we or us*)

When you sign the Lease Offer, you offer to enter into a lease of the Vehicle described in the Lease Offer with the details and on the terms set out in the Lease Offer and these Full-Service Lease – Terms and Conditions (we call them the **T&Cs**).

We are not obliged to accept your offer. If we accept your offer, we will do so by either delivering the Vehicle to you or signing the Lease Offer (which we may do electronically), whichever occurs first.

1 ABOUT THIS LEASE

1.1 Lease

The details and terms of this Lease are set out in the Lease Offer and these T&Cs.

1.2 Changes to this Lease

(a) Your Instalment payments, components of them and fees and charges set out in your Lease Offer are based on certain assumptions. If these assumptions prove to have been incorrect or change (for example, because you make a payment late or if you have to pay another amount under this Lease, like default interest) we can change these amounts without your consent to reflect this so that you pay everything you owe us during the Lease Period.

(b) We can also make the following changes to this Lease without your consent:

- (i) to the amount or type of any fee or charge;
- (ii) to add a new fee or charge;
- (iii) to when any fee or charge is payable or how it is charged;
- (iv) to the method of calculating any amount payable by you under this Lease, including the Rent or any other component of your Instalments; and
- (v) any other change to a term of this Lease – for example, changes to reflect new technology or changes in law.

(c) We will notify you in writing at least 30 days before any change to this Lease takes effect except:

- (i) we don't have to give you notice, or can give you a shorter period of notice, if we think it's reasonable to manage a material and immediate risk;

(ii) we don't have to give you notice if the change is to a government charge and that is publicised by the government; and

(iii) we can give you a shorter period of notice if we reasonably think the change is neutral or favourable to you.

(d) You may terminate this Lease under clause 6.1 if you don't like a change we make, however you may have to pay the Early Termination Cost if you do.

(e) However, you don't have to pay the Early Termination Cost if you terminate this Lease because a change we make without your consent increases the total amount that you must pay under this Lease by more than 5%, unless the change is because you changed the Vehicle or any Service or your Usage Allowance.

Warning: The Early Termination Cost may be significant. If you wish to terminate this Lease early, you can ask us to provide an estimate of the Early Termination Cost to help you decide whether to terminate this Lease.

2 DELIVERY

2.1 Lease

(a) We will lease the Vehicle to you from the Settlement Date.

(b) The Lease, and your right to possess the Vehicle, ends on the first to occur of:

- (i) the last day of the Lease Period; or

- (b) all obligations owed to another person (e.g. an insurer) relating to the Vehicle where a failure to do so would materially increase our credit risk.

3.5 Registration

- (a) You must arrange for an inspection of the Vehicle where such inspection is

required by the applicable transport authority.

- (b) During the Lease period, we will arrange and pay for all registration and compulsory third-party insurance renewals for your Vehicle by the relevant renewal date.
- (c) You must inform us about any change to the registration number or state of registration for the Vehicle.

- (c) You must reimburse us within 30 days of demand for any payment made by us that relates to Uncovered Maintenance.

3.8 Alterations

Unless we consent, you must not:

- (a) make any alteration or addition to the Vehicle; or
- (b) install anything on or in the Vehicle.

If we consent, you must ensure that an Authorised Service Centre makes any such alteration, addition or installation. Everything

added to or installed on or in the Vehicle will be part of the Vehicle and our property.

3.9 Dealing with the Vehicle or this Lease

You must not:

- (a) sell or assign;
- (b) perform ride-sharing services with;

3.11 Inspection and seizure

We may enter the place where the Vehicle is kept to:

5 INSURANCE AND VEHICLE LOSS

5.1 Risks

You assume all risks and liabilities for the Vehicle and its use, maintenance, repair and storage.

5.2 You must fix damage

If the Vehicle is damaged, you must restore it as far as is reasonably possible to the same condition that it was in before the damage occurred excluding Fair Wear and Tear, unless the Vehicle suffers a Casualty Event.

- (a) If the Vehicle suffers a Casualty Event, you must promptly notify us, lodge the necessary insurance forms with the insurer and enforce your claim as soon as possible after the event and, upon request, provide us with a copy of those forms and information about the progress of your claim. Where necessary for the enforcement of that claim, you and we will co-operate to execute any document or take any step in connection with that claim.
- (b) The insurer (or us) will notify you whether the insurer decides to pay out your claim or replace or substitute the Vehicle with another vehicle.
- (c) You irrevocably authorise us to receive all money payable in relation to the insurance for the Vehicle or payable by any other person as a result of the Casualty Event. You must pay us any insurance proceeds which you receive.
- (d) If the insurer decides to replace or substitute the Vehicle with another vehicle we may notify you that we will terminate this Lease and enter into a new lease with you for the replacement or substitute vehicle.

5.4 Your obligations on insurance payout

- (e) us exercising our rights under this Lease.

8.2 About the indemnities

Subject to clause 8.3, each indemnity in this Lease:

- (a) does not cover anything to the extent that, if the indemnity did cover it, the indemnity would be void;
- (b) is a continuing obligation, separate and independent from each of the indemnifier's obligations under this Lease and survives termination, the acceptance of repudiation or expiry of this Lease; and
- (c) is payable 30 days or, if a Default subsists or this Lease has been terminated, 2 Business Days, after we ask for payment.

8.3 Exclusion

Each indemnity in this Lease excludes any Loss, cost, liability or expense (including legal costs on a full indemnity basis) which we (or any of our agents, officers or employees) incur to the extent that Loss, cost, liability or expense is caused by our or their negligence, wilful misconduct or fraud.

11 GUARANTEE

This clause applies if there is a Guarantor named in the Lease Offer.

11.1 Definition of Guaranteed Money

In this clause, **Guaranteed Money** means all money which the Lessee (you), or any of your successors or assigns (whether alone or not) is or at any time may become actually or contingently liable to pay to or for our account (whether alone or not) under this Lease for any reason whatever, whether or not currently contemplated.

It includes money by way of rent, interest, fees, costs, Loss, indemnity, charges, duties or expenses or payment of damages.

It also includes money that the Lessee (you) would have been liable to pay but for any reason.

11.2 Interpretation

Unless the context requires otherwise, in this clause 11 and in the definition of Guaranteed Money a reference to:

- (a) any document or agreement includes this Lease;
- (b) any reason or some reason includes:
 - (i) any legal limitation, disability, Insolvency, incapacity or thing affecting any person or the operation of any law, including any law relating to Insolvency, fiduciary or other duties or obligations or the protection of creditors;
 - (ii) any release, discharge, termination, rescission, repudiation, extinguishment, abandonment or disclaimer;

- (iii) any failure by any person to execute, or to execute properly, an agreement or document or to comply with some requirement; or
- (iv) an agreement, document, obligation or transaction being or becoming illegal, invalid, void, voidable or unenforceable in any respect.

This applies whether or not the reason was or ought to have been within our knowledge.

Each of clauses 11.4, 11.5 and 11.6 is independent of each other.

11.3 Consideration

The Guarantor gives this guarantee for valuable consideration which includes us entering into this Lease at its and your request. The Guarantor's obligations are unconditional and irrevocable.

If any Guaranteed Money is not owing by or recoverable from you for any reason the Guarantor will indemnify us against any loss we suffer or may suffer if we do not receive the Guaranteed Money when due or when it would have been due. The amount of that loss will equal the amount we would otherwise have been entitled to recover.

This indemnity does not include any loss we suffer as a result of fraud, wilful misconduct or negligence by us or our agents, employees, contractors or any other person acting on our behalf.

11.6 Payment obligation

- (a) The Guarantor, as principal debtor, will pay an amount equal to the Guaranteed Money which is then due and payable or would have been due and payable but for some reason within 2 Business Days of us demanding the payment.

- (b) We will demand payment from you first before demanding payment from the Guarantor (unless we consider it is reasonably necessary to demand payment from the Guarantor first).
- (c) Without limiting the generality of paragraph (a), on and at any time after the occurrence of a Default, if an *Ipso Facto* Event has occurred (whether or not it is that Default), then immediately on demand, the Guarantor will pay an amount equal to the Guaranteed Money (including amounts which would have been Guaranteed Money but for some reason).
- (d) The Guarantor will pay that amount in the same manner and currency which you are, or would have been, required to pay the Guaranteed Money. A demand need only specify the amount. It need not specify the basis of calculation of that amount.
- (e) ***Ipso Facto Event*** means the Lessee (you) are the subject of:
 - (i) an announcement, application, compromise, arrangement, managing controller, or administration as described in s415D(1), 434J(1) or 451E(1) of the *Corporations Act 2001* (Cth); or
 - (ii) any process which under any law with a similar purpose may give rise to a stay on, or prevention of, the exercise of contractual rights.

11.7 Multiple Guarantors

If there's more than one Guarantor, this is a joint and several guarantee and indemnity by each Guarantor.

11.8 Unconditional nature of obligation

Neither this Lease nor the obligations of the Guarantor under it will be affected by anything which but for this provision might operate to release, prejudicially affect or discharge them or in any way relieve the Guarantor from any obligation. This includes:

- (a) the grant to any person of any time, waiver or other indulgence, or the discharge or release of any person;

- (v) you agree not to exercise your rights to make any request of us under section 275 of the PPSA, to authorise the disclosure of any information under that section or to waive any duty of confidence that would otherwise permit non-disclosure under that section; and
